## Admissions

### MRC DAO

The online Master of Respiratory Care (MRC) Degree Advancement Option (DAO) allows working Registered Respiratory Therapists (RRT) who have completed a CoARC-accredited respiratory care program, the opportunity to advance their education and professional goals while working in their home communities. Qualified candidates work with the program director to develop a plan of study that includes coursework and a capstone project designed to match the student's clinical and educational background with their professional goals.

For specific MRC DAO admissions, application, and timelines, visit: MRC DAO Admissions (<https://www.unmc.edu/alliedhealth/academics/programs/rc/admission/>).
