### Return of Federal Student Aid Funds / Repayment of Student Financial Aid Funds

Federal student financial aid is provided to students to fund their direct and indirect costs as determined by the institutional cost of education. For complete information, please visit UNMC Financial Aid - Return of Federal Student Aid Funds. ([https://www.unmc.edu/financialaid/_documents/Return_to_Title_IV_Funds_Policy.pdf](https://www.unmc.edu/financialaid/_documents/Return_to_Title_IV_Funds_Policy.pdf))

Students receiving federal student financial aid are required to contact the Office of Financial Aid ([https://www.unmc.edu/financialaid/](https://www.unmc.edu/financialaid/)) prior to finalizing a leave of absence or complete withdraw. ### Satisfactory Academic Progress for Financial Aid

This regulation applies to all students in receipt of federal student financial aid.

The following federal student aid policies apply to all students in receipt of federal student loans (loans, grants, work study). Students are responsible for reading/understanding these policies. If you have
questions regarding the policies, please contact the UNMC Office of Financial Aid (https://www.unmc.edu/financialaid/). 402-559-4199. Students are also responsible for the Student policies found on this Web page: http://wiki.unmc.edu/student_policies (http://wiki.unmc.edu/student_policies/)

Textbooks, Instruments and Materials
All dental instruments issued to the student are the property of the College of Dentistry. As these items become necessary for the various courses, they are issued to the student. Upon completion of the course and prior to the conferring of the degree, all issued equipment and instruments are to be returned to the College in satisfactory condition. If any issued item is lost or damaged beyond usefulness, the student must replace it at his/her/their own expense. If for any reason additional supplies become necessary, the student must pay for the needed item(s).

Should a student leave the College before graduation with a degree, all issued books, instruments, and unused supplies must be returned to the College of Dentistry before any University Tuition and General Fee refunds will be made.

Dental Student Books, Equipment & Supply Policy
Books
All books issued to dental students by the College are issued on a lease/purchase arrangement until the student graduates from the College. Upon completion of the dental program and the conferral of the D.D.S. degree, all issued books become the property of the student. Beginning with Fall 2017, the college will no longer issue books to entering students. Students will be responsible for obtaining assigned books. This policy will continue annually until no books will be issued by the college.

Dental Instruments, Equipment and Equipment Replacement Fee
Equipment and dental instruments are leased to students and checked out as needed for specific purposes. They are to be returned in satisfactory condition. Students are responsible for payment for damaged or lost equipment and dental instruments as follows:

Handpieces and Titan Scalers
- First $100 of repair cost for damaged handpieces/handpiece components or Titan Scalers
- 50% replacement fee for first lost handpiece/handpiece components (either high speed or slow speed handpiece/components)

Other Equipment and Instruments (including but not limited to articulators and cassettes)
- First $100 of repair cost for damaged other equipment or instruments
- 50% replacement fee for first lost other equipment or instruments
- 100% replacement fee for lost other equipment or instruments after first lost other equipment or instruments

Fees for Technology, Supplies, and Services
Students pay a service fee which provides for technical support, a limited amount of printed, photocopied or electronic course materials, basic and preclinical laboratory supplies, use and laundering of COD clinic gowns, pre-clinical and clinical dispensing services and other items or services necessary for student participation in the academic programs at the College. Students attending UNMC College of Dentistry will also have access to University of Nebraska - Lincoln services such as libraries, campus recreation, and health center.

Withdrawal of Students
If a student leaves the program before graduation, all issued equipment and supplies must be returned before the College will authorize any University tuition and general fee refunds, release of transcripts and letters of recommendation or any other information as determined by the College.

If a withdrawing student wishes to have a refund on issued books, the returned books will be submitted by the College of Dentistry to the UNMC Bookstore for possible acceptance for refunds. A student will be eligible to receive any refunds issued by the UNMC Bookstore up to a maximum determined by the College of Dentistry. The maximum will take into account recapture of subsidy for books by the College of Dentistry. The student may keep any books for which the UNMC Bookstore will not issue a refund.

Housing Facilities
Information about available housing for families or single students can be obtained from the Division of University Housing, (https://housing.unl.edu/contact-us/) 1115 N. 16th Street, University of Nebraska-Lincoln, Box 880622, Lincoln, Nebraska 68588-0622, (402) 472-3561.
