

LOCKERS

Lockers in the Sorrell Center and College of Nursing will be available for a rental fee of \$15 per year. Students are able to rent/renew a locker by visiting the CARE website (<https://care.unmc.edu>). Lockers are not available to rent/renew in June and July. Lockers that are not renewed are cleaned out May 31, and everything inside is disposed of. The staff is not responsible for items left in lockers. If you have any questions regarding lockers, please call 402-559-3967 or visit the Sorrell Center Convenience Store.

College of Pharmacy students will be given a locker/mailbox combination during first-year orientation, which will stay the same until graduation.
