GENERAL INFORMATION

WELCOME

We want to welcome you to the University of Nebraska Medical Center and our hospital partner, Nebraska Medicine. Our common vision is to be a world-renowned health science center and health system.

This means:
• Delivering state-of-the-art, affordable, high-reliability health care;
• Preparing the best educated health professionals and scientists;
• Creating the most relevant research and discovery outcomes;
• Advancing our historic commitment to community health;
• Embracing the richness of diversity, equity, and inclusivity; and
• Creating economic growth in Nebraska.

UNMC is a dynamic environment in which to learn. The opportunities in health care and the health sciences today are limited only by your dreams and career aspirations. We challenge you to reach your full potential with appropriate faculty guidance, encouragement, and support. Your success is our success. No calling is more relevant or of greater impact to our society.

You are now part of the UNMC family. We welcome you and our very best wishes as you begin this exciting journey.

Jeffrey Gold, M.D.
Chancellor

Welcome to UNMC, where cutting-edge research and education lead to world-class care. You are entering a student-centered academic health science center that values our strong community and global partnerships and where possibilities for your personal growth and learning are limited only by your own diligence, industry and imagination. Here, you will study in state-of-the-art facilities and work with researchers and health care professionals known around the world as experts in their fields and make new life-long connections and friends. We value the diverse perspectives you bring to our campus that will help spur new ideas, creativity and innovative solutions for the future. You will learn from among the best and be supported in getting the skills you need for your future success because we want you to be among the best and be leaders in your chosen discipline.

Congratulations on your first step toward a career through which you will surely make a difference in this world.

H. Dele Davies, M.D., M.Sc., M.H.C.M.
Senior Vice Chancellor for Academic Affairs
Dean for Graduate Studies
Professor of Pediatrics and Public Health

Congratulations and welcome to UNMC! You are now an important member of an extraordinary medical network of professors, staff, administrators, and students who all strive to serve the people of Nebraska and improve the world for the better. The education that you will receive in your time here will set you up for a career in Nebraska or anywhere else in the country. We are excited to welcome you into this incredible educational community.

Keith Ozanne
Student Senate President 2019-2020
UNMC Student Regent

Here at UNMC your will have the opportunity to gain more than just a degree. Here you will have opportunities to affect the lives of members of the community, advance and push the bounds of known scientific knowledge, travel abroad to areas of extreme need, volunteer within struggling communities, expand your leadership capabilities and so much more. Here at UNMC you can help shape the future of healthcare. In addition to the world-class education and opportunities at UNMC, you will also gain lifelong friendships, invaluable networking connections and create incredible memories. It is my hope that the next few years of your life here at UNMC will be challenging and deeply rewarding.

Please feel free to reach out to me or any other Student Senate members if you have questions, concerns or ideas about how to strengthen the educational experience here at UNMC. We are working everyday to ensure that the medical education you receive at this University remains one of the best in the nation. Congratulations again, and we are excited to welcome you into our medical community!
