

# COMPLIANCE PROGRAM

## Basis for Policy

The purpose of the Compliance Program and Committee is to identify UNMC's key compliance risks, as well as make recommendations and implement solutions, policies, procedures and standards of conduct to ensure that UNMC complies with all applicable federal, state and local laws and regulations; and University of Nebraska and UNMC Policies and Procedures. In support of this purpose, UNMC's Compliance Program will designate a chief compliance officer and a compliance committee whose responsibilities will include the following: to provide for or conduct effective training and education, develop effective lines of communication, and conduct internal monitoring and reviews for adherence to policies and procedures. The University of Nebraska Medical Center (UNMC) Compliance Program consistent with UNMC Policy No. 8006, Code of Conduct ([https://wiki.unmc.edu/index.php/Code\\_of\\_Conduct/](https://wiki.unmc.edu/index.php/Code_of_Conduct/)), mandates that all UNMC faculty, staff, and students comply with: all applicable federal, state and local laws; all relevant regulations; and University of Nebraska and UNMC Policies and Procedures.

### Senior Vice Chancellor for Academic Affairs

The Senior Vice Chancellor for Academic Affairs is responsible for overseeing the development and implementation of the policies, procedures and practices necessary to effect compliance with federal, state, and local laws and regulations; and University of Nebraska and UNMC Policies and Procedures.

### Chief Compliance Officer

The Chief Compliance Officer shall report to the Senior Vice Chancellor for Academic Affairs, but has the authority to communicate directly with the Chancellor or Vice Chancellors for Academic Affairs, Business and Finance, Research, Deans, the Audit, Risk and Compliance Committee of the Board of Regents or others on compliance matters, which include, but are not limited to:

- coordinate with subject matter experts to analyze laws and regulations applicable to UNMC to ensure compliance;
- monitor day-to-day compliance activities;
- develop, initiate, maintain and revise policies and procedures for compliance with laws and regulations applicable to UNMC;
- oversee visits by regulatory agencies and responses to inquiries and investigations;
- report compliance matters directly to the UNMC Chancellor's Council;
- coordinate with the Associate General Counsel on legal issues;
- coordinate with the Director of Internal Audit and Advisory Services;
- coordinate with the Information Security Officer;
- coordinate with the University Compliance Officer and other campus compliance officers;
- respond to compliance hotline calls;
- participate on the University Compliance Council;
- disseminate information to support compliance and training on the Compliance Program; and
- chair the Compliance Committee.

### Compliance Committee

The Compliance Committee assists the Chief Compliance Officer with the above duties and helps manage the Compliance Program. The Compliance Committee shall seek to leverage the compliance efforts of each area and avoid duplication of effort. The Compliance Committee shall analyze UNMC's key risk areas and monitor and promote compliance. The Compliance Committee shall oversee and monitor department response to identified risks as identified by the Chancellor's Risk Assessment as well as data generated through monitoring and individual reporting.

The Compliance Committee shall meet no less than quarterly. The Compliance Committee shall be composed of at least the following representatives who shall be responsible for the overseeing compliance and assist the Chief Compliance Officer with managing the Compliance Program:

- Chief Compliance Officer
- Associate General Counsel
- Export Control Compliance Officer
- Human Resources Director
- Information Security Officer
- Chair of the Institutional Review Board or Compliance designee
- Executive Director, Environmental Health & Safety

- Nebraska Medicine Compliance Officer or Compliance Representative for Nebraska Medicine
- Privacy Officer
- Controller
- Financial Compliance and Cost Analysis
- Sponsored Programs Administration
- Sponsored Programs Accounting
- Procurement
- Chief Student Affairs Officer
- Library

The Compliance Committee or Chief Compliance Officer may request reports annually from certain representatives and others to address compliance issues as necessary. The purpose of the reports will be to:

- develop policies related to compliance;
- establish compliance training programs;
- assist with identifying areas of potential compliance vulnerabilities;
- assist with understanding the compliance risks and related regulations and laws; and
- assist with response to alleged violation of rules, regulations, policies, procedures, and other functions as needed to enforce this policy.

Representatives would be from the following areas:

- NU Director of Internal Audit and Advisory Services
- Biosafety
- Child Health Research Institute (CHRI)
- College of Dentistry
- College of Medicine
- College of Nursing
- College of Pharmacy

- College of Public Health
