

COURSE DESCRIPTIONS

B

- Biochemistry & Molecular Biology (BMB) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/bmb/>)
- Bioinformatics & Systems Biology (BISB) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/bisb/>)
- Biological Defense and Health Security (BDHS) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/bdhs/>)
- Biomedical Informatics (BMI) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/bmi/>)
- Biostatistics (BIOS) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/bios/>)

C

- Cancer Research (CRGP) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/crgp/>)
- Cellular & Integrative Physiology (CIP) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/cip/>)
- Clinical & Translational Rsch (CTR) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/ctr/>)

E

- Environmental, Agricultural & Occupational Health (ENV) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/env/>)
- Epidemiology (EPI) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/epi/>)

F

- Family Medicine (FMED) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/fmed/>)

G

- Genetics, Cell Biology & Anatomy (GCBA) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/gcba/>)

H

- Health Professions Teaching and Technology (HPTT) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/hppt/>)
- Health Promotion, Social & Behavioral Health (HPRO) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/hpro/>)
- Health Psychology (HPSY) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/hpsy/>)
- Health Services Research & Administration (HSRA) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/hsra/>)
- Healthcare Delivery Science (HDS) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/hds/>)

I

- Integrative Physiology & Molecular Medicine (IPMM) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/ipmm/>)
- Interdisciplinary Graduate Program in Biomedical Sciences (IGPBS - courses are IPBS) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/ipbs/>)

- Internal Medicine (IMED) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/imed/>)

M

- Medical Sciences Interdepartmental Area (MSIA) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/msia/>)
- Molecular Genetics & Cell Biology (MGCB) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/mgcb/>)
- Munroe Meyer Institute (MMI) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/mmi/>)

N

- Neuroscience (NSC) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/nsc/>)
- Nursing (NRSNG) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/nrsng/>)

O

- Oral Biology (OBIO) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/obio/>)

P

- Pathology, Microbiology, & Immunology (PMI) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/pmi/>)
- Pediatrics (PEDS) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/peds/>)
- Pharmaceutical Sciences (PHSC) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/phsc/>)
- Pharmacology (PHAR) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/phar/>)
- Physical Therapy (PHYT) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/phyt/>)

R

- Radiology (RADI) (<http://catalog.unmc.edu/graduate-studies/course-descriptions/radi/>)
