

ADMISSIONS

UNMC participates in the American Medical College Application Service (AMCAS) (<https://students-residents.aamc.org/applying-medical-school-amcas/applying-medical-school-amcas/>). This service assists students wishing to apply for possible admission to the first year of medical school and does not render any admission decisions or advise applicants where to submit applications or provide other admissions advice. Each participating school is completely autonomous in reaching its own decisions. Direct application to an AMCAS school is not possible.
