Purpose

1. The purpose of evaluation of courses is to:
   a. Provide students an opportunity to give anonymous feedback on
      what they considered to be strengths and areas for improvement
      of individual courses.
   b. Provide means for student input to be included in the evaluation
      of courses and in the summative and formative evaluation of
      curriculum.
   c. Provide faculty with evaluative data for potential course revision.

Policy

1. All students have an opportunity to evaluate each course in which
   they are enrolled.
2. Results of summative course evaluation will be provided to faculty,
   upon completion of course grades.
3. Course evaluation results will also be sent to the appropriate division
   assistant dean, to the appropriate program director, to the Associate
   Dean for Academic Programs, and to the Undergraduate Curriculum
   Committee or Graduate Affairs Committee or PhD Affairs Council.
