Policy

1. Academic Readmission/Reinstatement of Student in Good Standing.
   If the educational progress of a student in good standing is interrupted at the College of Nursing for any reason other than active military duty, for longer than two academic terms, the student must reapply to the College of Nursing. The student may be reinstated as space permits on each individual campus. In the event a nursing course needed by the student is not available during the two academic terms, a student need not reapply before taking the course the next time it is offered. The student will be allowed in the nursing course as space permits.

2. Academic Probation:
   a. A student whose cumulative grade point average falls below 2.33 will be placed on academic probation for the succeeding term.

3. Repeating Undergraduate Nursing Courses:
   a. A student who achieves a passing grade in the same nursing course twice or receives a grade of less than 78% in three or more different required nursing courses in the nursing major, this includes all courses in the nursing major in which the student was unsuccessful the first time and repeated and received a passing grade.
   b. A student who achieves a grade of less than 78% in the same nursing course twice or receives a grade of less than 78% in three or more different required nursing courses in the nursing major. This includes all courses in the nursing major in which the student was unsuccessful the first time and repeated and received a passing grade.
   c. Students who have been dismissed from the college for violations of Policy 5.2.36 Undergraduate Professional Performance are not eligible for readmission to any undergraduate UNMC College of Nursing program.

5. Readmission After Withdrawal or Academic Dismissal: Students who withdraw from the program or are academically dismissed from the Undergraduate Program of the College of Nursing may reapply one time for admission. The timeline for admission to the program is based on space availability.
   a. Submit a readmission application.
   b. Submit a letter of reference from two previous clinical nursing faculty that address:
      i. Student’s engagement in learning opportunities
      ii. Student’s application of critical thinking skills
      iii. Student’s overall academic performance
   c. Student’s professional behavior
   d. Student’s willingness to follow faculty guidance for success
   e. Expect that additional coursework may be required, including coursework in which the student was previously successful.

6. Readmitted students who achieve less than a 78% exam average or final grade in a course will be dismissed and are not eligible for readmission to any undergraduate UNMC College of Nursing program.

7. Withdrawal: Failure to officially withdraw may result in grades being recorded as failures.

Procedure

Readmission

1. Readmission applications will be provided to a three faculty subgroup of the Admissions Committee, with no members of the subgroup from the campus on which the student was originally enrolled.
2. The subgroup will review all application materials and conduct an interview with the applicant.
3. The subgroup will present the student application to the Admissions Committee at their next regularly scheduled meeting.

As with all admission applications, all decisions of the committee relative to readmission are final.

8. Readmitted students who achieve less than a 78% exam average or final grade in a course will be dismissed and are not eligible for readmission to any undergraduate UNMC College of Nursing program.

9. Withdrawal: Failure to officially withdraw may result in grades being recorded as failures.

Procedure

Readmission

1. Readmission applications will be provided to a three faculty subgroup of the Admissions Committee, with no members of the subgroup from the campus on which the student was originally enrolled.
2. The subgroup will review all application materials and conduct an interview with the applicant.
3. The subgroup will present the student application to the Admissions Committee at their next regularly scheduled meeting.
4. The decision to approve or deny readmission will come as a vote from the Admissions committee.

Withdrawal

1. The student must notify in writing of their intent to withdraw, to the Director of Undergraduate Programs and Student Services Coordinator at the campus of attendance to complete the Change of Status form.
2. Students should contact the Student Services Coordinator at the campus of registration for specific procedures.
