Revised: April 2019

Faculty of the College of Nursing develop admission criteria to be used in screening selected applicants for guaranteed admission to the BSN program.

Students may be accepted prior to completing all the required prerequisite courses if they meet the following criteria by the review date.

**Admission Requirements:**

**Honors Admission**

To receive an honors admission to the nursing program, in addition to all regular admission criteria, a student must meet the following:

1. High School Senior:
   a. Eligibility requirements: Student must meet all the following to be eligible:
      - Minimum score of 28 on ACT or 1270 on SAT
      - Cumulative GPA: 3.8 or greater
      - English: 4 years
      - Math: 3 years including one algebra course
      - Natural Sciences: 3 years including one chemistry and one biology course
      - Social Studies: 3 years
      - Foreign Language: 2 years must be same language for both years
   b. Provisional requirements:
      - Maintenance of a 3.8 cumulative GPA in college
      - No repeat courses
      - No pass/fail courses in the sciences (except for laboratory components) and a maximum of 12 hours of pass/fail in non-science courses
      - A grade of C+ or better in prerequisite courses
      - Must be full-time (at least 12 credits/semester) and follow the advised curriculum
      - Must meet with a UNMC CON Student Services Coordinator once per semester prior to admission to the BSN program

2. College Student:

   a. Eligibility requirements and provisional requirements:
      - Same as above except ACT not required.
   3. Second Degree Students:
      - ACT not required and student does not need to be full-time but must stay on a trajectory as advised by Student Services Coordinator.
      - Graduated with a 3.8 cumulative GPA or higher in undergraduate or graduate program.
      - Maintenance of 3.8 cumulative GPA in any nursing prerequisites or nursing support courses needed.
      - A grade of C+ or better in prerequisite courses.

Failure to meet these requirements will result in being dropped from guaranteed admission although a student may apply for regular admission.

**Dual Admission (UN system or Nebraska State Colleges)**

To be eligible for dual admission to the nursing program, in addition to all regular admission criteria, a student must meet the following:

- 3.3 cumulative GPA in college preferred
- No more than one repeat course
- No pass/fail courses in the sciences (except for laboratory components) and a maximum of 12 hours of pass/fail in non-science sources
- A grade of C+ or better in prerequisite courses
- Must be full-time (at least 12 credits/semester) and follow the advised curriculum
- Must meet with a UNMC CON Student Services Coordinator once per semester prior to admission
- Participate in campus specific program requirements (e.g. support courses or activities)
- Once accepted for dual admission, all further math and science courses must be completed at the collaborating institution

**Guaranteed Admission (e.g., RHOP, KHOP, ROTC, Veterans, etc.)**

- 3.3 cumulative college GPA preferred
- No pass/fail courses in the sciences (except for laboratory components) and a maximum of 12 hours of pass/fail in non-science sources
- A grade of C+ or better in prerequisite courses
- Must meet with a UNMC CON Student Services Coordinator once per semester prior to admission
- Participate in campus specific program requirements (e.g. support courses or activities)

**Guideline:**

A maximum of 80% of the incoming cohort by campus may be awarded Guaranteed Admission.
