Note: Students that have not completed 72 college credit hours prior to enrollment in the College of Pharmacy will not be eligible for federal student aid during their first semester. However, they may be eligible for the Health Professions Student Loan program that is administered through the Department of Health and Human Services. Approval of prerequisite courses is determined by the Assistant Dean for Student Affairs and the Admissions Committee on an individual basis after all necessary information is submitted. Credits must be earned at a fully accredited institution of higher learning. Credits not considered applicable include:

1. those graded less than "C", "I" (incomplete), "W" (withdrawal), or audit;
2. those completed but not given for credit;
3. activity courses in physical education.

Advanced Placement

AP credit will be accepted toward prerequisite requirements if listed on a transcript from a fully accredited undergraduate institution.

CLEP

A maximum of 24 pre-pharmacy credit hours may be accepted by the College of Pharmacy through CLEP subject or general examinations. Minimum scale scores are available upon request from the UNMC Office of Academic Records. In the required course areas of the pre-pharmacy program, the College of Pharmacy will not accept CLEP hours
