VISION, MISSION, AND VALUES

Our Vision
A preeminent College of Pharmacy, a nationally and internationally recognized community of leaders, who are scientists, educators, practitioners and students, guided by the highest ethical standards, focused on advancing science, the education of pharmacists, other health professionals and graduate and post-graduate students, in order to improve human health.

Our Mission
The Mission of the College of Pharmacy at the University of Nebraska Medical Center is to improve the health of Nebraska through premier educational programs for pharmacists, other health professionals and graduate and post-graduate students, conduct innovative research and provide highest quality patient care and outreach to underserved populations.

Our Values
The College of Pharmacy faculty embrace and are committed to the following values:

- Human health
- Excellence
- Leadership
- Innovation, assessment and continuous improvement
- Life-long learning
- Inclusiveness and communication
- Respect for individuals and their cultures
- Mentorship, and personal and professional development
- Empowerment and individual accountability
- The Mission of UNMC and the College of Pharmacy
