

CAHP STUDENT & GRADUATE OUTCOMES

3-Year Average of Certification Exam Scores by Program

	2018-2020	2019-2021	2020-2022
Clinical Perfusion --		100.00%	100.00%
Cytology	96.97%	100.00%	97.60%
Instrumentation (DMS*)	100.00%	100.00%	100.00%
Abdominal Sonography (DMS*)	100.00%	100.00%	100.00%
OB/GYN Sonography (DMS*)	100.00%	100.00%	100.00%
Adult Echocardiography (DMS)**	--	--	88.89%
Genetic Counseling**	--	--	--
Magnetic Resonance Imaging	100.00%	100.00%	95.23%
Medical Laboratory Science	94.20%	94.64%	94.77%
Medical Nutrition	98.53%	100.00%	100.00%
Occupational Therapy**	--	--	--
Physical Therapy	100.00%	100.00%	97.97%
Physician Assistant	100.00%	100.00%	100.00%
Radiation Therapy	95.83%	95.83%	87.50%
Radiography	90.94%	86.94%	92.49%

*Diagnostic Medical Sonography

**Three-year averages not yet available.

Retention & Completion Rates

The University of Nebraska Medical Center Institutional Research Office publishes data that summarizes enrollment and completion data on its website (<https://www.unmc.edu/academicaffairs/institutional/institutional-research/fact-book.html>). This data is collected at the campus level and may not take into consideration details that impact program-specific metrics. The College of Allied Health Professions maintains similar data, which can be requested by emailing the CAHP Office of Academic Affairs (cahped@unmc.edu).

Employment Rates

The following percentages are self-reported survey data administered at the time of graduation.

Graduates Practicing in the Field	August 2023	May 2023	December 2022
Total Practicing in the Field	100%	86.08%	92.16%
Full-Time or Part-Time in Nebraska	30.00%	55.70%	43.14%
Full-Time or Part-Time Outside Nebraska	70.00%	30.38%	49.02%
