The Office of Engagement upholds institutional excellence by providing engagement opportunities in a safe environment, pursuing the work today that creates a humble and empowered workforce for tomorrow. The office's primary functions include Awareness/Advocacy, Developmental Opportunities, and serving as the UNMC Engagement Epicenter.

In working to foster a campus of engagement that values every individual, UNMC Campus Engagement provides support involving the development and implementation of policies with leaders, as well as programmatic efforts aimed to enhance engagement on our campuses and in the surrounding community.

An emphasis is placed on high-impact strategies, programs, practices, and initiatives that promote well-being and connections across UNMC campuses.

We welcome faculty, staff, and learners from all academic programs and units to participate in the programming that we provide in collaboration with various partnership. For questions, call 402-559-4000 or email engagement@unmc.edu.
