The Office of Inclusion upholds institutional excellence by providing educational and leadership opportunities in a safe environment pursuing the work today that creates a diverse, culturally humble and empowered workforce for tomorrow. The office's primary functions include Awareness/Advocacy, Developmental Opportunities, and being the UNMC DEI Epicenter.

Leadership and support involving the development and implementation of policies with senior leaders, and programmatic efforts aim to enhance recruitment & retention, diversity, equity, and inclusion on our campuses and in the surrounding community.

An emphasis is placed on data-driven assessment and evaluation of high-impact strategies, programs, practices, and initiatives which promote equity, access, and inclusivity across UNMC campuses.

We welcome faculty, staff, and students from all academic programs and units to engage in the programming that our office and partners provide. For questions, call 402-559-4000 or email inclusion@unmc.edu.
