

LACTATION SERVICES

I. Statement of Principle

UNMC recognizes the importance of supporting new mothers who wish to continue to breastfeed while they are attending school. UNMC acknowledges the health benefits of breastfeeding and believes that UNMC should make private, accessible and comfortable lactation rooms available to its students who want to express milk while on campus and away from their infant.

II. Title IX

Title IX of the Education Amendments of 1972 ("Title IX"), 20 U.S.C. §1681 et seq., is a Federal civil rights law that prohibits discrimination on the basis of sex—including pregnancy and parental status—in educational programs and activities.

You may review the Students Pregnancy/Parenting (<https://www.unmc.edu/titleix/lactation/students-pregnancy-parenting.html>) page in UNMC Title IX web page.
