

DUAL DEGREES

Admissions Requirements

Dual degree programs give students the advantage of completing two degree programs in a shorter amount of time and with fewer total credit hours. Each dual degree program requires application and admission to each program in order to fully participate in the benefits of a dual degree. Click on a program below to learn more about its admission and curriculum requirements.

- Bachelor of Science in Biology/Master of Public Health (BSBIO/MPH) (<http://catalog.unmc.edu/public-health/academic-programs/dual-degrees/bsbio-mp/>)
