

HONORS

To recognize outstanding academic achievement of graduating students in COPH Professional degree-seeking programs, honors are awarded to those who have shown special proficiency and have excelled in their studies are recognized at commencement.

Graduation with honors is conferred in the following way:

1. The degree *with highest distinction* is awarded to students with a UNMC cumulative grade point average of 4.0. (Final semester grades are not included and total hours at the College must exceed 30.)
2. The degree *with high distinction* is awarded to students with a UNMC cumulative grade point average of 3.85 or above. (Final semester grades are not included and total hours at the College must exceed 30.)
3. The degree *with distinction* is awarded to students with a UNMC cumulative grade point average of 3.75 or above. (Final semester grades are not included and total hours at the College must exceed 30.)

Delta Omega Honor Society

Gamma Omicron Chapter of the Delta Omega Honor Society in public health - Members are inducted to the chapter through a highly-selective process that assesses their outstanding performance and devotion to the field. To maintain the credibility of this prestigious society, chapters are limited in the number of members they may induct each year.
