

STUDENT E-MAIL

All students are required to use official student e-mail accounts for communication pertaining to University matters. Personal e-mail accounts will not be used for communication with students after students matriculate. Students are responsible for checking their e-mail regularly.

Once a student enrolls for classes, UNMC Information Technology Services (ITS) will mail the information required to access the student's Outlook e-mail account. Outlook can be accessed from off campus using the web-based Outlook, which uses the same login and password.
